The Conference Leadership Team (CLT) is responsible for preparing a World Service Conference (WSC) agenda that facilitates the active voice and effective group conscience of our fellowship.

The Committee is looking forward to seeing all Conference members at the 2025 WSC, Thursday, April 24 through Sunday, April 27, 2024, at the Marriott Hartford/Windsor Airport Hotel, Windsor, CT. Delegates are scheduled to arrive on Wednesday, April 23. The Stepping Stones visit will be on Monday, April 28.

The CLT continues to work on streamlining the agenda, this includes presenting items that could be held in advance as well as session placement on the Agenda. The CLT will present a standing motion to approve non-voting attendees who are annually invited to participate, rather than the standard procedure of presenting a Seating Motion for each WSC. . If this motion is approved, there will not be a need for each Conference to vote on seating these attendees, which will save time.

A discussion was held regarding the remaking of the Introductions/Roll Call session of the Conference. Members discussed different options and agreed there is an importance of the repetition of a person's name. More to come!

The CLT discussed and implemented changing the timing of the Chosen Agenda Item (CAI) invitation. The invitation has already gone out, the new end date will be February 17, 2025. The process will remain the same as last year with the CLT Chair and Co-Chair working with 3 Delegates to combine topics and reaching out to those who submitted them, to make sure they are accurately being combined. The voting results will be provided for all CAI topics. The two CAIs chosen will be discussed in the general session at the WSC.

In addition to the morning and evening AI-Anon meetings, Delegates will now have an opportunity to attend an AI-Anon meeting during the Conference day.

The New WSC Members Onboarding session will be held via web conference on Saturday, January 4, 2025, from 1:00-2:30pm ET. New Conference members will be contacted and provided the necessary information. We are so excited to meet you!

The six-member Conference Leadership Team includes:
