Tradition Seven is Gratitude in Action. Our spiritual principles ensure that those following in our footsteps have the same opportunities we did.

- **"Abundance – We learn to change our thinking from what we don't have to an awareness of the gratitude for what we do have. We give our time and money realizing we can never give back all we have been given. Thinking abundantly allows us to accomplish our primary purpose of reaching out to families and friends of alcoholics." *(Al-Anon Service Manual page 102)***
